

**MIDAMERICON II**  
THE 74<sup>TH</sup> WORLD SCIENCE FICTION CONVENTION

## DIY Selfie Kit

MidAmeriCon II is looking for photos and selfies to show the world who we are! We are looking for you to take 5 to 10 pictures at events you attend at conventions and around Kansas City. To inspire your creativity use the enclosed cut outs which you can tape or glue to the popsicle sticks.

Please remember to be polite and ask permission before taking pictures of others. Since these images will be used for marketing, let's keep them clean & classy.

Send your best shots to [MidAmeriCon2@gmail.com](mailto:MidAmeriCon2@gmail.com)!
